AD Fraternity House

Please let us know if you would like to come and spend this enjoyable week end with us. You will need hotel or motel reservations, so drop us a card and we will make them for you. Don't worry about transportation. If you need transportation, we will be happy to provide it.

The purpose of the business meeting will be:

- 1—To elect officers for Alpha Delta's Alumni Association
- 2—To adopt a constitution of the Alumni Association

## ALPHA DELTA NEWS

During this section the house has followed true to its course of rising to the top. Lee Paul and Jerry Johnson have been nominated to become members of Alpha Tau Iota. This is an honorary fraternity at General Motors Institute which requires a 60 QP average for the first two and a half years of school.

The house volleyball team last month was beaten in the finals by Phi Tau Alpha. However, the team won several games and did a lot toward keeping up the house morale.

This month we are having initiation week for 12 pledges into membership. At this year's four-section meeting, the membership will be the largest in Alpha Delta's history. These are good members too. During the last year, Alpha Delta has ranked among the first three of the fraternities in grades.

## ALUMNI NEWS

Paul K. Stille, who cooped at Hyatt Bearings, married Barbara Toll of Passaic, N. J. They are now living at 164 Midland Ave., Montclair, N. J.

Bill Wogisch is now married to Martha Miller of Maplewood, N. J. They are awaiting the arrival of their first child. Their address is 47 Myrtle Ave., Maplewood, N. J.

Joseph L. Heuser, who cooped at Fisher-Fleetwood, is now working for Lincoln of Ford Motors in the Manufacturing Department. His family at present consists of three children (two boys and one girl) and one on the way. He says he is coming to termination and would like to see all the guys he knows around the Class of '54.

We received word about Chuck Harvey, one from our lost persons list. It was reported that he was killed while landing a plane on an aircraft carrier last year.

## MEET AD FACULTY ADVISORS

MR. ROBERT MORRIS

Mr. Morris has been a member of Alpha Delta for exactly one year. His home town is Cambridge Springs, Pa. He graduated from Duquesne University in Pittsburgh and received his master's degree at Western Reserve.

During the war, Mr. Morris was in the Air Force for 3½ years. Before coming to GMI, he taught high school at Gerard, Pa., and worked for the Atomic Energy Commission at Portsmouth, Ohio.

Mr. Morris is now a math instructor at General Motors Institute. He has a lovely wife, Jeanne, and a daughter, Cathy.

## EDITOR'S CORNER

We asked for news from alumni in the last Fraternalizer. I am glad to state that we received some response. Well, this time I'm trying for even more responses. Have you ever stopped to wonder what has happened to any of your old fraternity buddies? They have been wondering the same thing about you.

Enclosed is a questionnaire. Fill in as much as you wish. You will soon be reading about your old fraternity brothers in The Fraternalizer, and they will be reading about you!

SEE YOU IN FLINT AUGUST 9
