

GENERAL MOTORS INSTITUTE

FLINT 2, MICHIGAN

May 19, 1964

Brother Phi's of the Flint Area:

The enclosed petition reflects the culmination of long hours of work by the members of Alpha Delta.

They are sincerely interested in becoming a chapter of Phi Delta Theta and will make a fine addition to our fraternity.

A delegation is going to Pasadena to the Phi Convention September 2, 3, and 4, to present this petition, and if by any chance you are in that vicinity please show up and give us a hand. You can also use your influence by writing your chapter to recommend acceptance of this petition; also any Phi's you know who might be going to the convention.

We are desirous of all Phi's in the Flint area to look Alpha Delta Fraternity over. Please feel free to call the house if you would like to come to dinner and meet the boys. However, if you are just interested in a casual visit, stop in anytime.

I am mighty proud of these men and hope you are as interested in having a Phi Delta Chapter here as I am.

Sincerely,

Jerry Cummings
