Ohio Epsilon Chapter  
University of Akron

Mr. President:

We, the Brothers of Alpha Delta Fraternity, are anxiously awaiting our induction into Phi Delta Theta Fraternity. This will take place on February 12 and 13, 1965. It is felt that this would be an excellent opportunity for all the chapters in the Sigma Province to get together. In order that this may be accomplished, we are inviting five members of each Chapter to be our guest at these ceremonies. Enclosed with this letter is an invitation that lists all the events except a party which will follow the banquet.

If there are more than five members of your Chapter who desire to attend, there will be a nominal cover charge of \$ 7.00 per couple for the banquet and party. Overnight accomodations will be the responsibility of all individuals attending as our membership and alumni who will be present will exceed our house capacity.

We will be awaiting your reply in the near future and will make our plans accordingly.

Fraternally yours,

Ronald L. Wallace
