Dear Brother Cummings:

Please offer my sincere congratulations to our new Michigan Delta chapter at General Motors Institute. I had expected for many weeks to be present for the installation of this chapter, but my duties here with the Banta Company and with the March issue of THE SCROLL have made it impossible.

I am hoping to carry the story of this installation in the March issue and Ray Blackwell will be on hand to do the story. Anything you can do to help expedite pictures will be much appreciated.

I will be thinking of you Friday and Saturday of this week and I know all of you, with Jack Shepman in the lead, will get Michigan Delta off to a fine start.

Cordially yours in the Bond,

Hayward S. Biggers
