515 LIBERTY STREET
FLINT, MICHIGAN

July 23, 1956

Dear Mr.

During the past year we of Alpha Delta have been very lax in our membership drive. At no time during the year have we completely filled the house with men.

At the present time we have 37 members living at the house including all four sections. At this time next year we will be losing 22 men due to graduation. The picture is painted on the wall. We must fill the house with prospective pledges and continue to do so until the membership is of such quality and quantity as has been in the past.

Your various CoOp plants will be starting a large number of freshman this fall. It is your responsibility to introduce new freshman to Alpha Delta and invite them to become houseguests here.

Send the names of freshman who intend to live here or bring them up when you come up in September. If you cannot see incoming freshman personally, get a list of their names and addresses and send it up so we can correspond with them.

Fraternally yours,

Sec'y Section
