Mr. Robert S. Miller
Executive Secretary
Phi Delta Theta Fraternity
2 South Campus
Oxford, Ohio

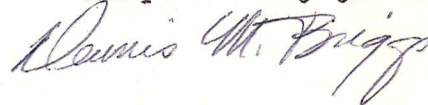

Dear Mr. Miller:

We of Alpha Delta Fraternity at General Motors Institute in Flint, Michigan have just begun investigating the possibilities of becoming a chapter of a national fraternity. Our membership has expressed an interest in Phi Delta Theta. Your fraternity has received good comments from our Interfraternity Council advisor and from our senior house advisor, Mr G. H. Cummings, who is a Phi Delt alumnus.

Since General Motors Institute has been accredited by the North Central Association, we are eligible for your consideration. Alpha Delta was organized in 1926 and chartered in 1928, nine years after the inception of General Motors Institute. Our total membership numbers about 500, with 46 active members. We own our present home and are now engaged in the building of a new one.

We would appreciate any information you can send us regarding your fraternity.

Respectfully yours,

PRESIDENT, ALPHA DELTA FRATERNITY
